THE BOLD, FRESH HOME TREADMILL

FROM THE GLOBAL LEADER IN FITNESS EQUIPMENT

Life Fitness is the most recognized name in health clubs and trusted at home by knowledgeable exercisers who want the best.

The F1 SMART Treadmill is refined in the same biomechanics lab used for our health club equipment. Our reliability experts test Life Fitness treadmills for hundreds of hours.

For the F1 SMART, these durability dynamos simulate over five million footfalls and test to 17.6 years of average use, which is almost twice the warranty life.
